

ALL IN ONE PLACE BASE CAMP MATHS WORKSHEET ADDING AND SUBTRACTING 1

INSTRUCTIONS

- You should take about 15 minutes to do the exercises
- Ask a family member or teacher for help if you need it
- Write your answers of the worksheet and show working out
- Use the solution sheet to check your work

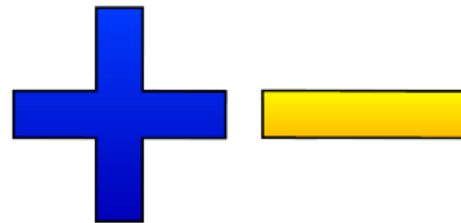

WHAT TO DO

In this worksheet you'll do three kinds of exercises

JUMP 1 *practise your addition*

JUMP 2 *practice your subtraction*

JUMP 3 *do addition and subtraction*

ADDITION
SUBTRACTION

No calculators!

JUMP 1

Write the **correct number** in each space for these additions.

11	+	31	=	
22	+	37	=	
57	+	76	=	
45	+		=	100
69	+		=	100
	+	78	=	200
	+	43	=	150
101	+	229	=	
178	+		=	300
	+	542	=	867

JUMP 2

Write the **correct number** in each space for these subtractions.

33	-	9	=	
84	-	27	=	
131	-	47	=	
283	-		=	179
	-	67	=	786
362	-	99	=	
463	-		=	278
765	-	678	=	
	-	117	=	469
1 291	-		=	488

JUMP 3

Write either **+** or **-** and an **answer** to complete the addition or subtraction. Five problems should use addition and the other five use subtraction.

69		48	=	
12		229	=	
473		273	=	
154		99	=	
231		999	=	
801		1 001	=	
378		182	=	
890		739	=	
2 201		20 878	=	
45 120		9 998	=	

SOLUTIONS

JUMP 1

11	+	31	=	44
22	+	37	=	59
57	+	76	=	133
45	+	55	=	100
69	+	31	=	100
122	+	78	=	200
107	+	43	=	150
101	+	229	=	330
178	+	122	=	300
325	+	542	=	867

JUMP 2

33	-	9	=	24
84	-	27	=	57
131	-	47	=	84
283	-	104	=	179
853	-	67	=	786
362	-	99	=	263
463	-	185	=	278
765	-	678	=	87
586	-	117	=	469
1 291	-	809	=	488

These are suggested answers. You could have your own, providing you have five additions and five subtractions.

69	+	48	=	117
12	+	229	=	241
473	-	273	=	200
154	-	99	=	55
231	+	999	=	1 230
801	+	1 001	=	1 802
378	-	182	=	196
890	-	739	=	151
2 201	+	20 878	=	23 079
45 120	-	9 998	=	35 122
